

The image displays a 10x10 grid of 100 circles, each containing a unique number from 1 to 100. The numbers are arranged in a seemingly random pattern. A central 4x4 grid of 16 circles is highlighted with a red border and a green fill, representing the 'true' data. The surrounding 84 circles are white with black outlines, representing the 'observed' data. The entire grid is framed by a thick red border.
